

## Two quick ways to engage with Thimble!

We rely on our agents to keep Thimble at the forefront of innovation for business insurance. Here are two quick ways to engage today!

### 1: Give us your feedback about the appointment process. Why?

- Until now, all brokerages working with Thimble have been on an “affiliated” basis.
- We recently contacted you to elevate your relationship with Thimble by becoming an appointed sub-producer with Thimble.
- Some brokers have chosen to stay at an “affiliate” level and not upgrade to substantially higher commission.
- If you are one of those brokers remaining at the affiliate level, please help us out with a quick survey to tell us about your experience.

### 2: Join SVP of Business Development Rich Stamets at the next Thimble Broker Program webinar!

- Next Wednesday 5/19 @ 2:00 PM EST
- Get a deep dive into the Thimble Broker portal and how it can benefit your agency, along with meeting our head of Business Development, Rich Stamets.
- [Limited space! RSVP here →](#)

And in case you missed it, we launched Broker Boost to double your bonuses and get an extra \$500 for every five policies sold! Stay tuned for more exciting product releases this summer, and reach out at [brokers@thimble.com](mailto:brokers@thimble.com) with any questions.
